A meeting will be held to discuss the electees qualifications, if necessary. The board member electees will be voted upon by the existing board members and appointed only after a unanimous decision.
4. The treasurer shall prepare a year-end financial report to submission to the board. Any club member may review the financial report upon request (reasonable notification required).
5. Every effort will be made to have two board members review all contracts prior to signature.
6. Each board member shall receive a \$25.00 Discount towards the annual AGGC Membership Dues. Membership Dues will include the cost of the current NCGA Dues. **No Funny Money will be accepted for payment of the Annual Membership Dues.**
7. A year-end tournament & awards event will follow the last tournament of the year. Prizes will be awarded based upon the club's point system. Point System is based on your NET score starting with 6 points for a NET 90, 7 for NET 89, etc. Until you establish a handicap or have a NET score of 91+ in any tournament, you will receive 5 points for participation. If any member starts a round and does not complete the round for any reason, they will be awarded 5 participation points, and credited as playing a tournament.
8. Members must be present to receive prizes (unless a death or serious illness has occurred in their immediate family and the board is notified prior to the tournament & awards banquet). If a player does not complete a stipulated round, but participates they will be awarded the minimum of 5 points, but won't be able to post a score.

20. Tie breakers will be decided by the lowest score starting with the No. 1 handicap hole, or No. 2 handicap hole, etc. In case of ties, number of circled 10's may determine the winning status (see Club Rules XXV).

22. Protests/Ruling Clarification. Should a player protest another players score, or need a ruling on a play, the board will review the incident and make a decision as soon as feasibly possible.
